Personal Assistance at home

Precious Garden Primary Care cordially invites you and your family to become part of our caring family. To this agency, our client's personal care, daily needs, and satisfaction are our priority.

Mission Statement

Our mission is to create a means for improvement in their daily routine. We fully understand that the activities of daily living are no longer easy for our elderly or disabled friends to complete, therefore, we try to make this phase of life more coping. We also realize that it is not easy for the family to attend to their loved ones daily, so we step in and ease your anxieties related to the needed care of your loved one.

Services are possible through Federal and State programs available through the Department of Aging and Disabilities, STAR PLUS benefits, Area Agency on Aging, Private Insurance, Workman's Compensation, or on a Private Pay basis.
